WHAT'S INCLUDED IN THE PRICE?

We have worked hard to keep holiday prices affordable—accommodation, activities, food and transport are all included. Every holiday is already subsidised by up to £200, so the price you pay does not cover your event's full cost. You will have the option to make a donation alongside the holiday fee. Book early to take advantage of the early bird discount.

HOLIDAY SPONSORSHIP FUND

SU Scotland understand that the cost may be a challenge for some families. We are happy to offer assistance through our Holidays Fund. For support, give us a call or visit suholidays.org.uk/financial_help.
